

CAMP

Camp Aim was created to honor the life, and help create a legacy for Janelle Wilson Nemeth who passed away October of 2019 after a courageous yearlong battle with cancer. Janelle was a lover of life & people! And proved to be a ferocious warrior facing the greatest of challenges with courage, finding strength in family, friends, and her faith.

Camp Aim's mission is to provide a quality soccer camp experience where kids will have fun while learning the game, and to raise funds primarily to help support Janelle's daughter Charlotte (Charlie) who was born just a few weeks before Janelle was diagnosed.

After Camp Aim hits its annual goal of \$5,000 raised for Charlie, all profits will then go to support other charitable/philanthropic causes. Here's a history of the donations that have been made in Janelle's name:

2022:	Miles for Marc	\$1,440
2023:	Prepared to Thrive	\$3,273
2024:	The People's Pantry	\$1,805
2025:	A Blessing Hand Up	\$3,900

Your support is truly appreciated, and we hope Camp Aim grows to be a valued part of our local community! Janelle taught us that one person can have an incredible affect on so many lives. May this camp honor that truth, and draw inspiration from her strength!

If you have any questions about Camp Aim, please reach out to me directly! And please share this link to [GCVSA's](#) website with those that may be interested in attending where they can find the registration form to get signed up!
